

## **FY 2021 System Services Grants (SSG) Waiver Request**

Georgia Public Library Service, in consultation with the leadership of Georgia's public libraries, has determined that the most important function of state grants to public libraries is the provision of qualified professional librarians in every library system, as well as the essential support staff in areas such as finance and technology services required for optimal public library service. As such, state grants are primarily focused on salaries and benefits. **A waiver to allow up to 10% of library system's salary grant, excluding salary base and benefits allocation for the director and the director supplement, to be used as SSG, may be requested for Fiscal Year 2021.**

The request for waiver must be approved by the Governing Library Board of Trustees and reflected in their meeting minutes. Please email request for waiver on GPLS SSG Waiver Request form to Christopher Evans, at [cevens@georgialibraries.org](mailto:cevens@georgialibraries.org). Waivers are tentatively due by June 5, 2020 but will be accepted through July 10, 2020.
