#### **Georgia's 62 Public Library Systems**

During FY2020, the Uncle Remus Regional Library System was renamed the Azalea Regional Library System.

The 2020 edition of "A Current Look at Georgia's Public Libraries and GPLS" is now available, offering a detailed examination of the statistical data that describes the operations, funding, and usage of the over 400 public library facilities throughout our state. This report highlights the value of each of these libraries and the services and programs they offer in every county in Georgia through the 62 public library systems. Of note duting FY2020: Uncle Remus Regional Library System Board approved a new name, Azalea Regional Library System.

This report offers statistical data and analysis of Fiscal Year 2020, which began July 1, 2019, and ended June 30, 2020. Each of the 62 public library systems submits an annual report to GPLS; these annual reports provide the data utilized in the preparation of "A Current Look." Georgia's aggregate data was submitted, as required, to the federal Institute for Museum and Library Services (IMLS) in spring 2021 for inclusion in the national Public Libraries Survey, which provides a national view of public library facilities, services, and funding.

"A Current Look" provides detailed data in ways we hope are useful to those who fund, support, and use public libraries in Georgia. Statistics for FY2020, in which almost the last third of the year, from March 14 to the end of June, was consumed by the COVID-19 pandemic shutdown, are not comparable to any prior year. However, within these statistics are the triumphs of library staff who rose to the challenge of meeting community needs while their doors were closed during the six weeks of mandated stay-at-home orders, followed by continuing building closures for most libraries in the state for the rest of the fiscal year. With public service hours decreased by 26%, it is remarkable that circulation decreased by only 20%; this was largely due to libraries swiftly instigating curbside service/porch pickup of library materials. Libraries throughout the state quickly extended Wi-Fri to their parking lots, providing much needed service so that students could continue learning even as their classes were virtual, and adults could "work from home".

Many library staff learned how to offer programs virtually and provided craft bags to keep children occupied. And eRead Kids, fortuitously initiated early in FY2020, pushed the circulation of e-books from March 14-June 14 to a level almost 50% above the same time in the prior year, while saving the day for parents and children who were forced to stay home. Please see page 33 for further data which reveal the resourcefulness and innovativeness of Georgia library staff during what were, yes, truly unprecedented times.

GPLS staff have never been prouder to support Georgia public libraries than we were in that last unexpected quarter of the year. We appreciate all the community leaders, trustees, administrators, and funders at the state and local level. Your support positioned Georgia's libraries to serve their communities creatively and dependably when they needed them the most.

This report and previous editions of "A Current Look" may be accessed on our website at www.georgialibraries.org/statistics/.

#### Julie Walker

Empowering libraries to improve the lives of all Georgians

#### **Georgia Library Laws**

- By statutory authority, Georgia Public Library Service, as a unit of the Board of Regents of the University System of Georgia, gives aid, counsel and advice to all libraries in Georgia and works in a limited supervisory capacity with the 62 public library systems.
- OCGA § 20-5-2 (a) states that the agency "... shall give aid, advice and counsel to all libraries" and "shall exercise supervision over all public libraries and endeavor to improve libraries already established."
- OCGA § 20-2-305 (a) states that the agency "... shall annually determine and request of the General Assembly the amount of funds needed for county and regional public libraries" and that "Public Library funds shall be apportioned to county and regional public libraries in proportion to the area and population to be served by such libraries . .."
- Public library systems in Georgia are either single-county or multiple-county, based on the individual participating agreements. There
  are currently 34 multiple-county (regional) public library systems and 28 single-county public library systems. OCGA § 20-5-41 places
  authority of single-county library systems with the county board of trustees and places authority of multiple-county library systems with
  the regional board of trustees.
- While GPLS strongly supports efficiency and economy in the operation of public library systems, it realizes that local preferences, history and political realities drive the decisions of how public libraries are configured and aligned. It is the role of GPLS to advocate for strong, fiscally sound and viable public libraries.
- Georgia statutes related to public libraries may be found at <a href="https://www.georgialibraries.org/library-laws/">www.georgialibraries.org/library-laws/</a>

#### Value of Public Library Services

If a **family of four** borrows two hardcover books, two e-books, and two DVDs each month, attends one program per quarter, and annually takes advantage of the museum and attraction passes available at every public library in the state, that family would **save more than \$1,850 every year** over the cost of buying those materials and tickets individually. *In addition, there is the value of public-access Internet, job skills training, homework help, and dozens of other services that Georgia libraries routinely provide free of charge!* 

- 2 hardcover books per month for a year
  - The average book costs \$26.00.
  - This saved the family of four a total of \$624.
- 2 e-books per month for a year
  - The average eBook consumer cost is \$12.77.
  - This saved the family of four a total of \$306.
- 2 DVDs per month for a year
  - The average DVD costs \$15.00.
  - This saved the family of four a total of \$360.
- 1 library program per quarter
  - The average cost of a movie ticket is \$9.16.
  - This saved the family of four a total of \$147.
- 1 time per year using the Passes from the Breman Museum, Center for Puppetry Arts, Chattahoochee Nature Center, Georgia State Parks and Historic Sites, Go Fish Education Center, Macon Museums, and the Michael C. Carlos Museum. This saved the family of four a total of \$415.

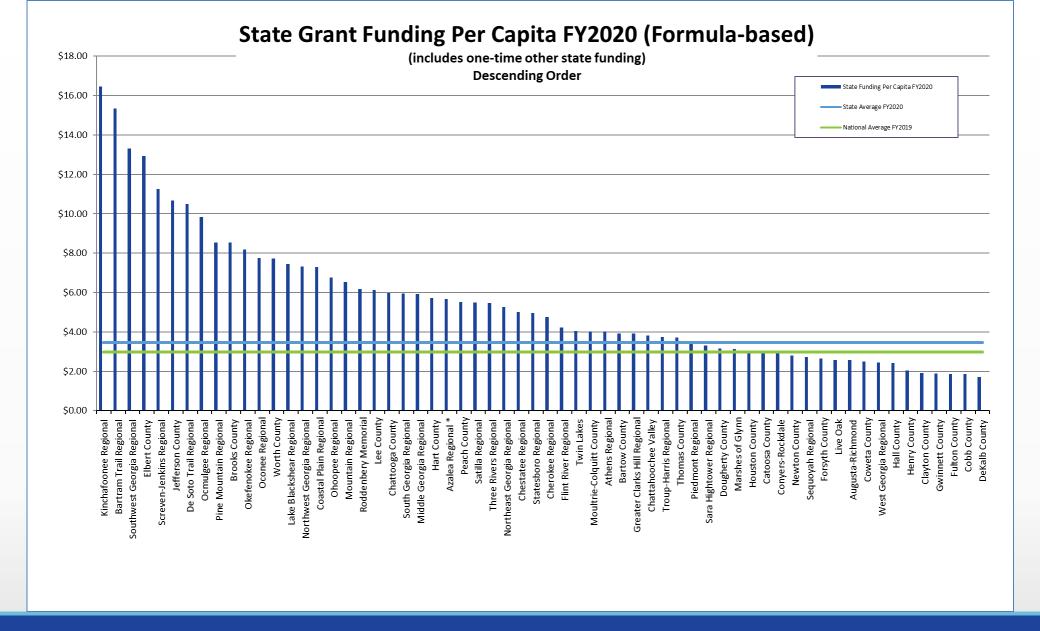

In 2020, the value of public library services is more than \$1850 for just these services!

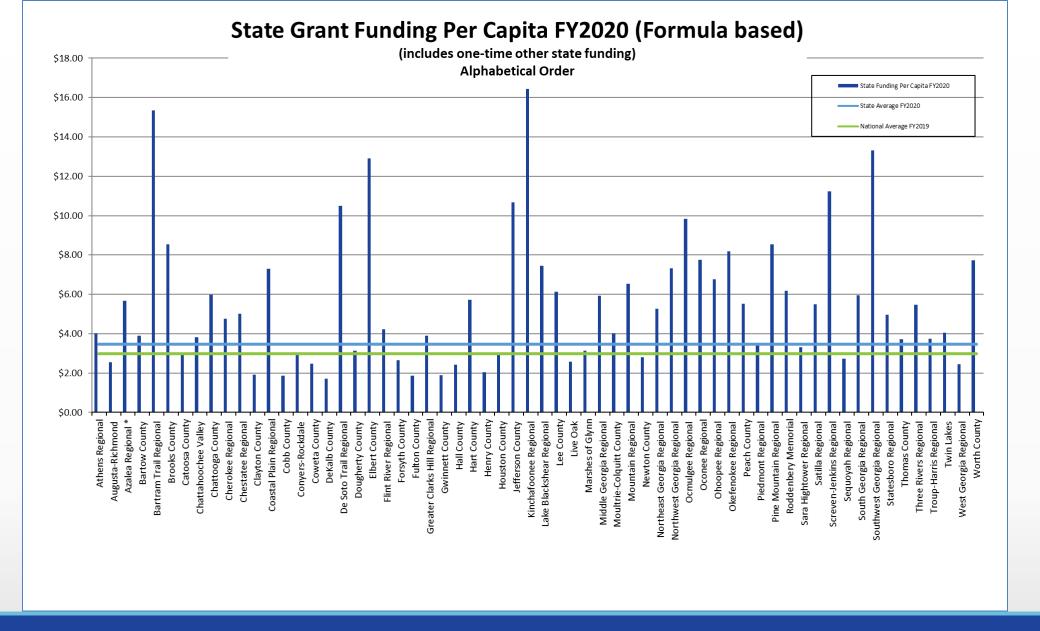

#### **State Grant Funding for Public Libraries**

- By state law OCGA § 20-5-3, state grant funding is apportioned by formula to the library systems on the basis of population and geography (<a href="http://www.georgialibraries.org/lib/library\_laws/OCGA 20-5-3.pdf">http://www.georgialibraries.org/lib/library\_laws/OCGA 20-5-3.pdf</a>).
- State grant funding is provided for professional salaries, library materials, operational support, libraries for the blind and physically handicapped, and, by grant award, for capital improvement.
- Georgia is the only state that provides grants that are specifically designated for the salaries of professional librarians, thus ensuring that each system is administered and led by licensed librarians.
- In FY2019, Georgia ranked 11th in the nation in terms of state funding per capita for public libraries, at \$3.26 while the national average was \$2.99.
- Even with the significant funding provided by the state, in FY2019, Georgia ranked 49th in the nation in terms of **total** per capita funding of public libraries at \$19.88. The national average for **total** per capita funding was \$44.88. Note that FY2019 is the most recent year for which IMLS has published national data tables.
- In FY2020, Georgia's per capita state funding was \$3.46. This is an increase over the previous year due to state funds being provided as a Covid19 Preparedness Grant in spring 2020.

#### State Grant Funding per Capita

(Formula based)

System Detail

FY2018-20

#### **Local Funding for Public Libraries**

- By statutory authority, Georgia Public Library Service, as a unit of the Board of Regents of the University System of Georgia, gives aid, counsel and advice to all libraries in Georgia and works in a limited supervisory capacity with the 62 public library systems.
- Local funding (including one-time funding but not capital funding) for Georgia's public libraries varied widely across the state in FY2020, from \$4.81 Per capita at Ohoopee Regional to \$35.35 per capita at Lee County. Some libraries received additional local funding to offset pandemic expenses. In FY2019, local funding ranged from \$3.98 to \$27.33 per capita.
- The majority of the public library systems in Georgia (over 85%) received local funding that was below the statewide average of \$16.74.
- For FY2020, local funding for **all** 62 of Georgia's library systems was below the FY2019 national average of \$38.55.
- Georgia ranked 47th in the nation in local funding per capita for public libraries in FY2019.
- Eight public library systems (Bartow County Public Library, DeKalb County Public Library, Hall County Public Library, Jefferson County Public Library, Northeast Georgia Regional System, Northwest Georgia Regional Library System, Oconee Regional Library System, Ohoopee Regional Library) received more state funding than local funding.
- Looking at the amount of funding provided to all Georgia libraries by state and local sources, 17% came from the state while 83% came from local sources.

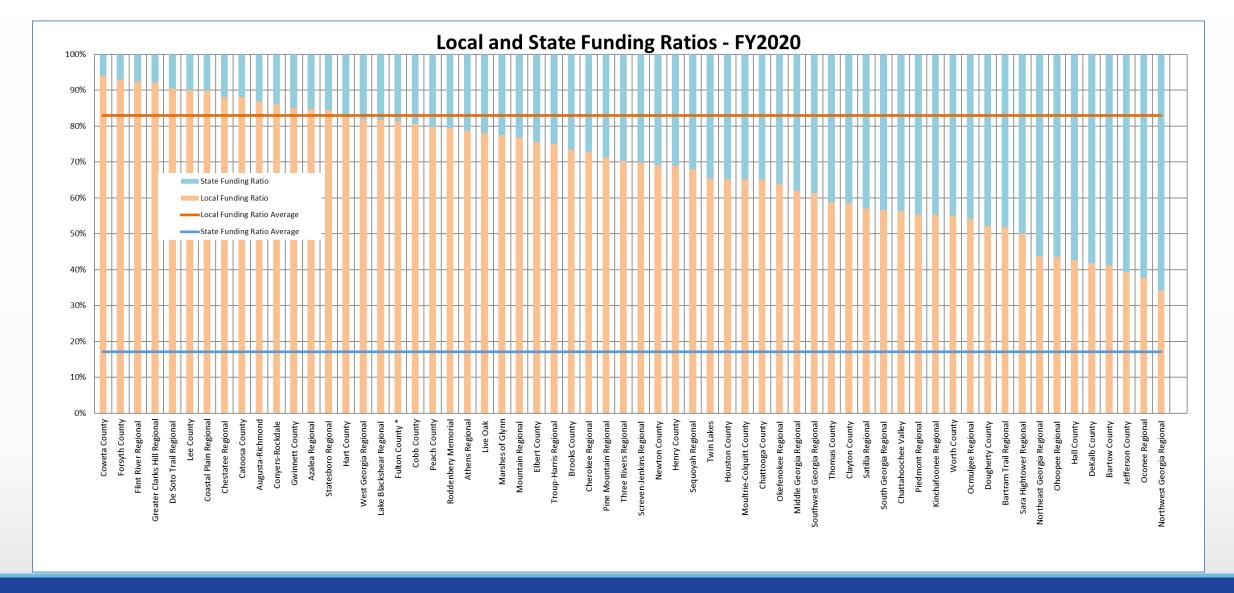

# Local Funding per Capita System Detail FY2018-20

#### State and Local Funding for Library Facilities

#### **Georgia's Public Library Planning and Construction Program**

- A match program assisting in new library construction as well as renovations and additions sponsored by Georgia State Financing and Investment Commission in funding for construction of public libraries and implementation of capital outlay programs
- Funded or completed over 82 projects in 62 counties since FY2005 with 21 projects in the planning process, awaiting awards
  - 22 central libraries and 60 branch libraries
  - 37 new libraries and 45 additions and/or renovated libraries
- Total grant funding between FY2005 and FY2020 has been approximately \$123 million
- Total local match funding between FY2005 and FY2020 has been approximately \$154 million
- Total project costs have been over \$277 million funded and completed

#### Maintenance Repair and Renovation (MR&R) Program

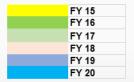

- FY2020 Granted \$4.49 million matched with \$3.3 million in local contributions, currently assisting over 49 libraries
  - 55 individual projects in 37 counties
- FY2019 Granted \$3.75 million matched with \$2.1 million in local contributions, currently assisting over 42 libraries
  - 45 individual projects in 36 counties
- FY2018 Granted \$4.0 million matched with \$1.9 million in local contributions, currently assisting over 44 libraries
  - 54 individual projects in 38 counties

#### **Library Cards and Circulation**

- In FY2020, 4,368,774 individuals in Georgia held public library cards, a 1.4% increase over FY2019. The latest Georgia QuickFacts from the U.S. Census (2015-2019) reported a total of 3,758,798 Georgia households, resulting in an average of 1.2 registered public library patrons per Georgia household.
- 40% of all Georgians are registered public library patrons, a number which has held steady for the last four years.
- Library systems that participate in Georgia Public Library Service's PINES automation and lending network counted 1,952,551 active PINES library cards as of June 30, 2020.
- More than half of all registered public library patrons in Georgia live in a county that is part of a library system that participates in PINES.
- Georgia libraries circulated 28.9 million library items or 2.67 items per capita in FY2020, which is a decrease of 20% from FY2019. This decrease was due to the public libraries being overwhelmingly closed during the last 30% of FY2020, between March 14-June 30,2020, during the pandemic. Due to libraries' ability to meet met customer needs with electronic materials during the pandemic, particularly during the Governor's stay-at-home order which lasted for six weeks, the decrease from the prior year is proportionately less than might have been expected, with only a 20% decrease in circulation although most libraries were closed 30% of the year.
- Of note, during the first quarter of the pandemic shutdown in Georgia, from March 14-June 14, 2020, circulation of eBooks increased almost 50% above the same time period in 2019. During this same time frame for 2020, e-audiobooks (downloadable audiobooks) were checked out 18% more than during those three months of 2019. The higher percentage increase in e-books v. e-audiobooks is explained by the fact that far fewer Georgians were commuting or using their cars due to the stay-at-home order. Car travel is a very popular time for patrons to listen to e-audiobooks.
- Georgia ranked 49th among states in circulation per capita in FY2019.

### Resource Sharing—Interlibrary Loans and Courier Service

- Public libraries provide lending services to their card holders. Each time a user checks out an item, it is considered a circulation. Another type of circulation, which requires at least three times the workload of a circulation, is Interlibrary Loan. This is a service where a user of one library can borrow books that are owned by another library. The user makes a request with their local library, which identifies libraries that own the desired item, places the request, receives the item, makes it available to the user, and arranges for its return.
- Georgia Online Database (GOLD) GPLS coordinates the interlibrary loaning of books and other materials between libraries of all types including academic, public, technical schools and special libraries. Over 200 institutions loaned and borrowed over 26,212 items between each other in FY2020.
- GPLS contracts for library **courier service**, which transported **1,430,007** library materials in FY2020, visiting every headquarters library five (5) days per week. This includes Interlibrary Loan items as well as PINES system-to-system items being transported across the state.
- Both Interlibrary Loan and PINES system-to-system loans require the librarian to receive the request, pull the book from the shelves, check it out of the online library catalog, and prepare a mailing package or a PINES courier package to send the item to the requesting library. This work is overlooked when using only circulation as a statistic for workload of the library staff, but it accounted for 690,749 items sent to other library systems for patron use. Of these loans, 676,811 were processed through the Georgia Library PINES network.

# Public Library Materials Loaned System Detail FY2020

#### **Public Access Computers and Wi-Fi**

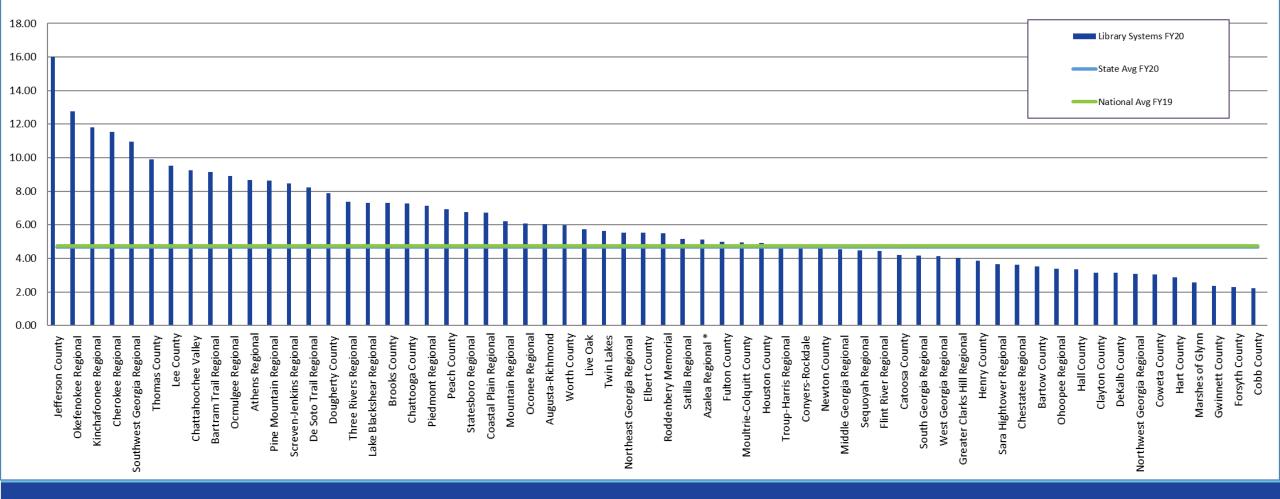

- Public Library internet computers were used over 6.8 million times in FY2020. While this was down 38% from FY2019, due to the pandemic primarily as most libraries were closed for the last quarter of the year plus half of March. This encompassed the busy first two months of Summer Reading Program when many patrons are in the buildings and public computer use is high.
- There were 10,149 public computer workstations with high-speed internet access in Georgia public libraries at the close of FY2020.
- All public access internet computers have access to GALILEO databases.
- The total of GALILEO online database usage is 1,475,475 and included Mango language sessions, Learning Express sessions, and Gale Legal Forms.
- In FY2020, all Georgia public library buildings provided wireless services for library users. When the pandemic occurred, libraries quickly ensured that their Wi-Fi extended to their library parking lots and the public libraries became the main free public Wi-Fi available in the state during the time when businesses were closed due to the statewide shutdown.
- NOTE: The following Charts and Spreadsheets on "Public Access Computers" use do not include use from patrons' wireless devices.

#### **Public Access Computers per 5,000 Population for FY2020**

**Descending Order** 

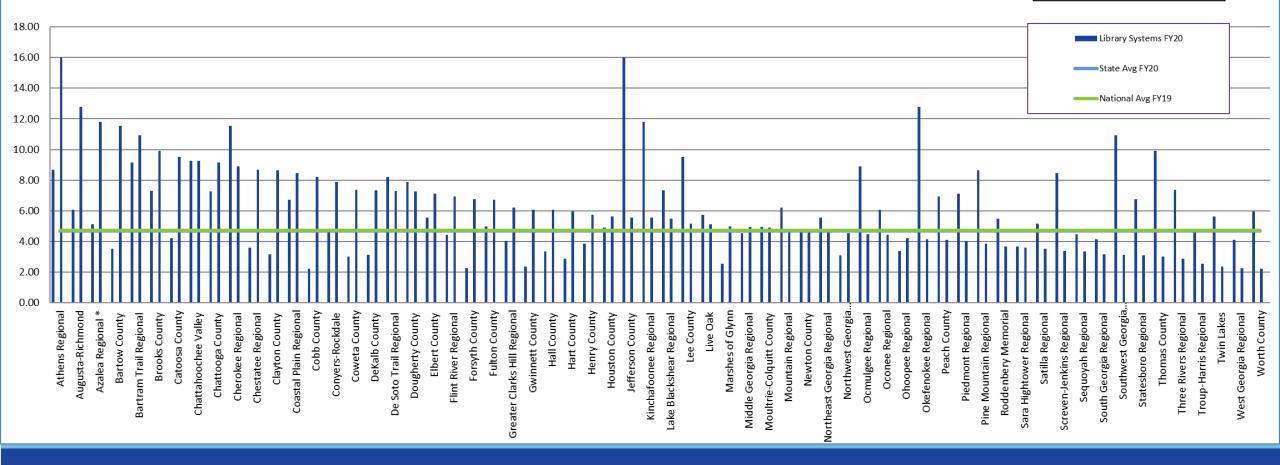

Note: State Avg 4.68 and National Avg 4.73 are so close that the trendlines are on top of each other.

#### Public Access Computers per 5,000 Population for FY2020

**Alphabetical Order** 

Note: State Avg 4.68 and National Avg 4.73 are so close that the trendlines are on top of each other.

#### **Public Service Hours**

- In FY2020, public service hours, which are the total hours when library buildings are open to the public, dramatically decreased 26% over FY2019 in Georgia; this is of course due to the closing of all the libraries during the six weeks of the statewide shutdown and the closing of the majority of the libraries for about 30% of the 2020 fiscal year. However, libraries were able to offer curbside/porch pickup service that added 23,422 additional hours when the public could come to the library for certain services, usually contactless or with limited contact with staff. Library staff also offered virtual and telephone reference service during the pandemic.
- **During the March 14-April 30 statewide Covid-19 pandemic shutdown**, Georgia's library systems were resourceful and found many ways to continue to serve the public.
  - While library buildings were closed to their patrons, 40% of library systems offered some sort of curbside materials pickup or drop off for at least part of that time.
  - During this time period, 29% of the library systems offered curbside printing, scanning, or faxing service.
  - To meet the needs of the youngest patrons, 21% of libraries offered curbside craft bags.
  - Ten library systems offered services by appointment.
  - 87% of library systems continued to issue library cards during this time, through online means.
  - Most library systems, 82%, offered remote reference during this time as well.
  - Many library systems, 81%, also began offering virtual programs during this shutdown period, which was especially helpful to parents and children who were at home and needed entertainment, information, and something familiar.
  - Perhaps most important to Georgia's residents, 97% of library systems were able to offer outside the building Wi-Fi ("parking lot Wi-Fi") for this entire shutdown, enabling many people to continue to work, attend school, search for health information, and handle other Internet needs during this critical time.
- **From May 1-June 30**, the very end of Fiscal Year 2020, after the overall statewide shutdown was lifted and the Covid threat was still significant, almost all schools were virtual for the remainder of the school year. Many businesses, government agencies, and other organizations were closed or open with limitations, and libraries across the state were in various stages of reopening, with each week bringing new decisions. Libraries continued to respond to patron needs and expand their services.
  - Ten library systems, particularly those near large cities, were closed to the public for that entire time.
  - Almost 75% of the library systems were open to the public for some part of that time with limited services.
  - Six library systems were open to staff and public throughout this time period.
  - During this time 90% of library systems offered virtual programming
  - Sixty library systems were either open to the public or able to offer curbside service during this time, with DeKalb and Fulton County library systems remaining completely closed.
  - Offering parking lot Wi-Fi continued to meet a significant need for Georgians all over the state.

#### **Library Materials**

#### **Collections Owned by Georgia Public Libraries**

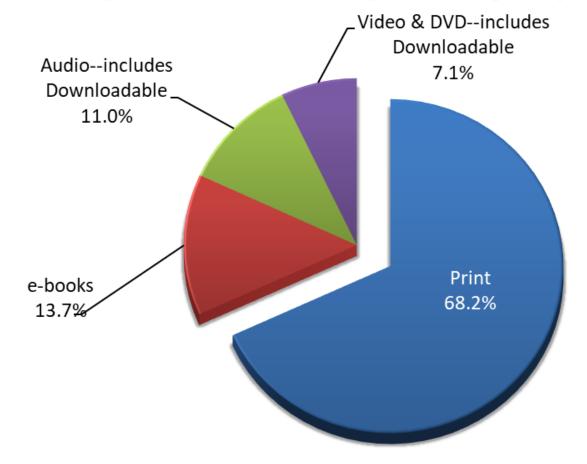

- At the end of FY2020, there were 21,618,234 (2.0 per capita) print books, e-books, audio, and video items in the collections of Georgia public libraries. Audio and video include downloadable.
- 59% of Georgia public library systems were above the state average of 2.0 items per capita.
- As the population of Georgia has grown, the state's ranking in print materials per capita has remained near the bottom; Georgia ranked 44th in the nation in this category in FY2019.
- Of note for FY2020, with almost 3 million e-books available to the public, Georgia libraries offered over 150% more e-books than in FY2019. This is due to increased membership in GADD as well as eRead Kids being offered statewide. Notably, as of FY2020, with Brooks County adding e-books to its collection, every library system in Georgia now offers e-books.
- At the beginning of FY20, GPLS launched its first statewide e-book service, eRead Kids. Specifically created for Georgia's youngest readers. eRead Kids includes over 15,000 e-books and audiobooks, in English and Spanish, for kids ranging from kindergarten through fourth grade. This collection helps support the literacy efforts to get every 3rd grader reading on grade level by providing access to more kid-friendly content for this age group.

#### Per capita Expenditures for Books and Other Library Materials

- Georgia public libraries spent an average of \$1.64 per capita for materials in FY2020.
- The per capita expenditure for materials in Georgia public libraries has historically been below the national average, which in FY2019 was \$4.51 per capita; Georgia ranked 49th with an expenditure per capita of \$1.76. In FY2020, only Lee County Library was above the national average for FY2019.
- 75% of Georgia public library systems fell below the state average of \$1.64 per capita for FY2020.

Operating Expenditures Per Capita in Georgia Public Libraries - FY2018-202

**ABOUT GEORGIA PUBLIC LIBRARY SERVICE** 

Georgia Public Library Service empowers libraries to improve the lives of all Georgians.

We provide scalable library technology and services; staff training, consulting, and best practices; grant administration and more to create equity in library experience for patrons, no matter where they live.

Georgia Public Library Service is the state library administrative agency and a unit of the Board of Regents, University System of Georgia.

# **Key Services of GPLS for Public Libraries**

- Represent and advocate for public libraries at the state and national levels
- Administer state and federal grants
- Administer the capital construction and MRR grant programs
- Provide consulting services through phone and email correspondence and on-site and virtual visits
- Provide training for library staff and trustees
- Promote and facilitate resource sharing and strategic partnerships
- Coordinate statewide programs that promote family literacy for children and parents
- Coordinate statewide library statistics
- Provide funding, support, and management of broadband networks statewide
- Provide centralized support and hosting for cloud computing for public access computers
- Provide web-hosting and email hosting
- Administer and support PINES -- The **P**ublic **I**nformation **N**etwork for **E**lectronic **S**ervices, the Georgia public library automation and lending network
- Provide Help Desk support for PINES and technology needs, available via online access and toll-free phone number
- Provide access to GALILEO, both on-site at all libraries and at home for validated patrons
- Administer GLASS, which provides library services and accessible technology for readers whose physical abilities require the use of books and magazines in audio or braille formats
- Support HomePLACE which encourages digitizing primary source collections
- Provide a professional materials collection (suspended during move of this collection)

## **Expenditures and Staffing of GPLS**

- In Fiscal Year 2020, total state funding for Georgia Public Library Service was approximately \$39.5 million, over 82% of which was distributed directly to public libraries under the state grants program.
- Georgia Public Library Service used 7% of its state budget to fund and coordinate the statewide initiatives of PINES, GLASS, and internet services while 11% was spent on Resource Sharing (GALILEO) and agency operations, including GPLS staff.
- In Fiscal Year 2020, GPLS also administered the IMLS-LSTA State Programs grant expenditures which totaled almost \$4.6 million. Funds pay for statewide initiatives such as PINES, GLASS, GALILEO, Georgia HomePLACE, Summer Reading Program, specific grants such as PRIMETIME for early literacy, and agency operations including professional consulting.
- At the end of FY2020, a total of 48 positions were allocated for the Georgia Public Library Service. Only 45 positions were filled, by 43.125 FTEs.
  - GLASS 13.5 FTE
  - PINES, IT, and E-rate 17 FTE
  - Library Development 5.625 FTE
  - Administration and Internal Operations 10 FTE

#### **PINES**

- Continued to facilitate resource sharing, with intraPINES loans of 658,853
- Circulated 11,432,529 items in FY20
- Over 1.95 million PINES library cards in use during FY20, with 158,264 new cards issued
- Extended and continued to maintain the PINES integrated library computer system in 53 public library systems and served patrons in all 159 Georgia counties
- Contracted with a courier(book delivery) service among all public library system central facilities and University System of Georgia (USG) academic libraries, making the collections of these libraries truly a statewide resource. Due to the pandemic, the courier service was shut down from April 7 through the end of the fiscal year
- Participated in the wider Evergreen community by continuing cooperative software development efforts
- Provided quarterly scheduled training and customized on-demand sessions for the PINES member library systems

#### **General Public Library Support**

- Continued to work with libraries and local funding agencies to maintain excellence in services through the extremely challenging pandemic during spring 2020, which impacted the last quarter of FY2020
- Continued Statewide Complete Count Census work
- Provided continuing support to Friends of Georgia Libraries
- Continued to provide training for library staff and trustees through both instructor-led training on demand and through scholarships to training offered by outside vendors; initiated virtual training during the pandemic
- Provided local strategic planning assistance to public library systems
- Continued to administer and utilize funds provided by the federal Library Services and Technology Act toward the improvement and enhancement of library services in Georgia
- Continued to coordinate, gather, and publish public library statistics for information, decision-making, and advocacy, including pandemic-driven Library Closing and Reopening Status Surveys

#### **Planning and Construction**

- Consulted with public library stakeholders in the development and implementation of public library design standards
- Continued to work with the Georgia State Financing and Investment Commission in funding for construction and with public libraries in implementation of capital outlay programs
- Coordinated Georgia's public library planning and construction program, a match program assisting in new library construction as well as renovations and additions
- Completed 82 state-funded projects since 2005 with 21 projects in the planning process awaiting awards
- Total grant funding between FY05 and FY20 has been over \$123 million

#### **Youth Services**

- In FY2020, helped public libraries strengthen local partnerships with agencies, institutions, businesses, and groups by coordinating LSTA-funded PRIME TIME Family Reading Time® programs at 21 sites in 13 library systems (Cherokee Regional Library System, Coastal Plain Regional Library, Cobb County Public Library System, DeKalb County Public Library, Dougherty County Public Library, Foreyth County Public Library, Moultrie-Colquitt County Library, Piedmont Regional Library, Roddenbery Memorial Library System, Screven-Jenkins Regional Library System, Southwest Georgia Regional Library System, Three Rivers Regional Library System, Twin Lakes Library System)
- 3,959 children and caregivers attended these PRIME TIME programs in FY20
- In FY20, Georgia's statewide Summer Reading Program enjoyed children's program attendance of 232,830
- Partnered with other agencies, such as Georgia Department of Education, Georgia Humanities, Voices for Georgia's Children, Bright From the Start: Georgia Department of Early Care and Learning, Get Georgia Reading: Campaign for Grade Level Reading, and the Sandra Dunagan Deal Center for Early Language and Literacy, to help strengthen Georgia libraries' youth services programs

#### **GLASS**

- Provided library services for the blind and others whose physical abilities require the use
  of books and magazines in audio format or in braille through Georgia Libraries for
  Accessible Statewide Services (GLASS), a network of libraries and a central distribution
  center
- GLASS transitioned to the Duplication on Demand model for lending materials, increasing access to the full NLS collection for patrons who cannot use BARD or BARD Mobile, while decreasing the space required for housing a collection of NLS materials
- GLASS provided materials to 17,110 registered users across Georgia in FY20
- GLASS circulated (mailed) 504,207 items to eligible enrolled readers in Georgia
- GLASS partnered with the Utah State Library to fill 13,024 requests prior to transitioning to duplication on demand and during the pandemic shutdown
- GLASS provided access to digital titles that were downloaded 130,035 times in FY20
- Adapted outreach during the pandemic to include online sessions with patrons and interested community partners
- Continued a partnership with PINES libraries to enhance service delivery for GLASS patrons
- Continued a partnership with Benetech to provide access to Bookshare, a digital collection of 900,000 titles in accessible formats, lending 11,101 digital files

#### **Information Technology**

- Hosted and supported over 4,644 cloud-based public access computers across 48 library systems, an
  increase of 1,986 devices from last year. 750 devices were added for lending programs across the
  state, including 248 Chrome-books funded through unused state bond funding and dropped shipped
  to 7 different libraries across the state to provide rapid COVID-19 relief
- Completed phase 1 of the G Suite migration: all GPLS-hosted libraries have moved to G Suite, resulting in 48 managed systems, 1961 library users, 52 GPLS/GLASS users, and 630+ mailing lists
- Hosted a Technology Boot Camp, an initiative of GPLS to bring together IT professionals from Georgia public libraries for training and awareness of technology trends and adoption
- Managed \$2.6 million in state bond funding for technology improvement and upgrades in Georgia public libraries, with \$1 mil dedicated just for 2020 Census support
- Continued Library Initiatives for Funding Technology (LIFT) program to support libraries with the planning and management of technology grants, resulting in \$64,492.00 in grant funding to Georgia public libraries
- Consolidated the Technology Loaner Kits down to the six most popular, with over 90 items across all kits, allowing staff and patron access to emerging and innovative technologies, including virtual reality and 3D printing. This resulted in increased checkouts across all kits
- Developed a Wi-Fi Availability Map to assist the public with finding parking lot Wi-Fi during the pandemic
- Launched cybersecurity program by hiring a dedicated Information Security Officer (ISO) and deploying a cloud-based endpoint security solution
- Content creation and management for clearinghouse of current IT trends, practices, and training through: galibtech.georgialibraries.org gsuite.georgialibraries.org.

#### **Communications**

- The online library resources page and online library resources marketing toolkit that we created during the early days of the pandemic each received more than 30,000 views from March to May 2020. They were clearly important tools for both patrons and library staff. We have created a dozen marketing toolkits, which are regularly used by library staff to promote their services. Our PINES marketing toolkit has been accessed more than 800 times over the past year.
- Our marketing grants continued to be popular, with 18 libraries applying for our five marketing grants this year.
- We raised awareness with media around the state, with key earned media articles in the Atlanta Journal-Constitution and Georgia Public Broadcasting, along with more than 200 local news articles.
- Library News is our agency's flagship publication and our primary vehicle for keeping legislators, county commissioners, municipal leaders, library patrons, trustees, staff and other stakeholders informed of the social, economic and civic impacts that public libraries and their programs have across the state and in their respective communities. There are 7,000 print copy subscribers. Constant Contact is the primary tool for sharing Library News and other monthly marketing digitally to over 4,000 active contacts
- On social media, we launched Instagram and grew our presence to more than 600 followers.

#### **Continuing Education and Training**

- Produced the first ever Southeast Collaborative Conference—960 participants attended 14 live webinar sessions, in conjunction with North Carolina, South Carolina, and Virginia state library agencies
- Administered Niche Academy GPLS Learning center access for over 2,035 public, school, and academic library employee
- Library staff completed at total of 1,006 training hours
- Collaborated with other state library agencies to provide Georgia libraries with monthly, comprehensive listings of free webinars covering a range of industry-related competencies and subject areas
- Awarded over \$6,650 in reimbursement scholarships to support the continuing education of librarians and library staff across the state to help defray costs of attending onsite/online conferences, workshops, and institutes
- Served as the subject matter expert for implementing, training, and updating Georgia public library staff on the latest learning technology and instructional methods to supplement inperson work and learning during COVID closures

#### **Resource Sharing**

- Administered the reciprocal borrowing and lending activity of more than 200 GOLD multitype member libraries resulting in lending 105,099 items and borrowing 89,368 through interlibrary loans during FY20
- Purchased group access to OCLC Services for all public libraries, including a group catalog, that allows patrons access to resources beyond their library's holdings
- Paid GALILEO resource fees for all 62 public library systems to provide patron access to the statewide virtual library
- Purchased group access to the RDA Toolkit for all public libraries
- Launched first statewide e-book service for Georgia's youngest readers, eRead Kids
- Expanded access to a vendor-neutral e-book platform option for interested libraries

#### **HomePLACE**

- In FY20, HomePLACE, a collaboration with the Digital Library of Georgia (DLG), an initiative of GALILEO, funded over 110,000 new and converted digitized items and associated metadata records to the DLG, including over 87,000 newspaper pages.
- 78% of Georgia's public libraries have contributed content to either the DLG or the GHN. Collectively, over 1 million digitized public library items have been added to the DLG and GHN portals.
- In FY20, DLG portals containing Georgia public library primary source content had over 2.1 million total page views, while newspaper portals containing content digitized by HomePLACE had over 6.4 million page views. 152 of Georgia's 159 counties have newspapers represented in the GHN.
- Public libraries continued to benefit from the DLG's hub relationship with the Digital Public Library of America, with two public libraries represented in the top 10 catalog views list by institution.
- With the increase in the number of institutions responding to the COVID-19 pandemic with community documentation projects, HomePLACE has created a list of these projects available at georgialibraries.org/coronavirus-chronicles/
- One of HomePLACE's most notable projects for FY20 was the Atlanta Funeral Programs Collection, a collaborative digitization effort that garnered the collection much media attention, as well as the title of #1 most-accessed collection in the DLG for FY20.

#### **Strategic Partnerships**

- GPLS partners with a number of state and private organizations to provide an additional layer of support and opportunities for library communities and build awareness for the state's public libraries. Since 2015, partnership programs have educated and entertained thousands of Georgia residents saving more than \$19 million in direct expenditures and providing hundreds of hours of free programming
- During FY2020, GPLS continued providing activities and programming with many previous partners and added the Georgia Peanut Commission, Georgia Student Finance Commission, and the Stuart A. Rose Manuscript, Archives, and Rare Book Library to the list of partner organizations.

#### E-rate

- Annually, GPLS funds the internet matching portion cost for all GPLS systems, yielding a net zero cost for internet to each library system.
- By 2020, with decreases in bandwidth cost, coupled with other GPLS IT funding opportunities, the GA E-rate Team assisted GPLS library systems in applying for over \$4.4 million. Of that, more than \$203,000 was used to support internal connections/infrastructure projects.
- During the pandemic, the GA E-rate Team hosted over 20 E-rate training sessions and weekly google handout sessions to provide one-on-one E-rate guidance, ensuring GPLS library systems were equipped and aware of E-rate access for outdoor library campus access for library patrons and the surrounding community.
- GA E-rate team has ensured completion of the various filing components for annual E-rate processes. The deadlines for submissions/filings are not daily but they are federally mandated and non-negotiable with staged deadlines for each filing type published in advance of the filing season. The E-rate team maintains a 100% success rate for all participating GPLS systems.

### **Data Sources**

Georgia Public Library Service (GPLS) produced this picture of the 62 public library systems in Georgia using statistical data from a variety of sources, primarily:

- Annual Reports submitted to GPLS from the public library systems for Fiscal Years 2000-2020
- The Institute of Museum and Library Services (IMLS) report, Public Libraries in the United States: Fiscal Year 2019
- Records of projects initiated and completed by GPLS staff.

NOTE: Fiscal Year 2020 data in this report subject to IMLS review in 2021 during the Public Libraries Survey collection process.
