"Our 8 yr old daughter was excited to participate in the summer reading program, and became even more motivated as she earned free books. It significantly improved her reading speed and encouraged her to read daily. We feel like this really helped her prepare for 3rd grade. Thank you for an awesome summer reading program!"

"Summer Reading is a wonderful opportunity to come together as a family and experience something new. Whether new books, museum passes, or library programs, we always grow during the summer!"
