Motion to convene meeting – Approved by acclaim. Motion to accept minutes from previous meeting – Approved by acclaim.

Report from Christopher Evans (GPLS) – Finance subcommittee

New guidelines:

Thanked all the business managers Remove funding formula from guidelines Procedures will not include specific numbers Spreadsheet with salary guidelines

- Goal was to remove everything that wasn't necessary to make the process simple/streamlined/transparent, but if there's something missing, contact Christopher.
- Christopher is pleased with the RPLAC subcommittee and business managers.
- Director transition guidelines may belong with library board requirements.

Report from Angela Stanley (GPLS) – E-resources

- To guide GPLS in e-resource decisions, and other e-content.
- A new tool The Palace Project App.
- GALILEO and SimplyE. Using SimplyE code, the Digital Public Library of America (DPLA) and Lyrasis are partnering.
- Big question: Does Georgia have a need for a vendor-agnostic aggregator or e-content?
- In the fall, there'll be a survey on the effectiveness of E-Read Kids.

Breakout session: Candidates and their divisions need to discuss nominees for divisional RPLAC representatives.

Motion for adjournment at 1:36 PM (EST), including round of applause, celebrating the departure of (former) Secretary-For-Life.

Respectfully submitted, Richard Sanders (Hart County Library)
