No questions from directors, re: minutes of the previous meeting.

From Stephen – The subcommittee on inclusion has met, and we'll hope for a report at the next meeting in September. (At the time of the spring meeting, the subcommittee was still looking for members.) There was a question about the availability of RPLAC-related documents on the GPLS website. That issue was designated as "to be looked into".

It was noted that the RPLAC elections were to be held on May 5th, 2022 for members to replace representatives that were scheduled to rotate off.
